Excellent vid Pete, from Mr Vobes. Nobody cares. I have told untold loads to watch the Dimming from Geoengineering.org. No-one does. It's difficult see. TV tells them stuff, then some of us question that stuff, and they have to think. Thinking however is a pain in the ass. LaLaLaLaLa, there now, back to normal.

Then there's, the, would you rather be mainstream or a known conspiracy, whacko, inbred, freak show retard associate. They'd rather die mainstream than be exiled to the ranks of ""different"" thanks to TV education.

Unthinking, mainstream, tv believers deserve all that they get Ian

But I do feel sorry for them in a way, because they can't adapt to changed circumstances. So they are vulnerable to psyops like the covid bioweapon vaxx and the like

They are coming at us from all sides now aren't they. So inability to think for yourself is a massive handicap
